

PROFILE

Prof. Amato J. Giaccia, Ph.D.
Division Director & Professor,
Professor of Radiation Oncology,
Stanford University,
USA.

Professor of Radiation Oncology, Associate Chair for Research & Director of the Division of Radiation & Cancer Biology in the Department of Radiation Oncology. He also is the Director of Basic Science at the Stanford Cancer Institute and heads the Radiation Biology Program in Stanford's Cancer Center, and is Director of the Cancer Biology Interdisciplinary Graduate Program. He was awarded an American Cancer Society Junior Faculty Research Award and the Michael Fry Award from the Radiation Research Society for his outstanding contributions on understanding the molecular mechanisms of resistance promoted by the tumor microenvironment. Additionally, he was the recipient of the 2013 ASTRO Gold Medal. In 2015, he was awarded an NIH R35 Outstanding Investigator Award and was inducted into the National Academy of Medicine. He co-authored the sixth & seventh editions of the textbook, "Radiation Biology for the Radiologist," with Professor Eric Hall from Columbia. In addition, he is currently the "Jack, Lulu and Sam Willson Professor in Cancer Biology" in the Stanford University School of Medicine.
