7<sup>th</sup> GLOBAL CANCER SUMMIT® - 2026

INTERNATIONAL COLLABORATIVE CONFERENCE

23rd August 2026

Banaras Hindu University (BHU), Swatantrata Bhawan  
Auditorium, Varanasi, Uttar Pradesh, India

"LIVING WITH CANCER IN THE 21ST CENTURY"

UNITED.  
WE STAND TO  
FIGHT AGAINST  
CANCER.

## Chairman Message

Dr. G. K. Rath,  
Chairman,  
7th Global Cancer Summit 2026

Dear Aspirants,

It is our great pleasure and honour to invite all the participants from all over the world to attend 7th Global Cancer Summit 2026 to be held on 23rd August 2026, at Banaras Hindu University (BHU), Swatantrata Bhawan Auditorium, Varanasi, Uttar Pradesh, India. This conference provides a unique platform for oncologists, researchers, scientists, medical professors, radiologists, Chemotherapists, Cancer Researchers, Cancer Associations and Societies, R&D scholars and students coming together to communicate, discuss the research work and exchange the ideas about various techniques and developments in prevention, diagnosis and treatment of oncology.

In addition to lectures by eminent speakers, this conference also focuses to conduct oral presentations, poster presentations and panel discussion with potential scientists.

## Convenor Message

Dr. V.P. Rao  
Convenor,  
7th Global Cancer Summit 2026

Welcome to the 7th Global Cancer Summit 2026

I hope to bring together a good programme that stimulates both our clinical knowledge and scientific intellect. This will be through a combination of interesting lectures and engaging "hands-on" workshops that will enrich our current knowledge and clinical skills.

Cancer is the uncontrolled growth and spread of cells. It can affect almost any part of the body. The growths often invade surrounding tissue and can metastasize to distant sites.

Many cancers can be prevented by avoiding exposure to common risk factors, such as tobacco smoke. In addition, a significant proportion of cancers can be cured, by surgery, radiotherapy or chemotherapy, especially if they are detected early.

## ABOUT US:

7th Global Cancer Summit 2026 (GCS-2026) with the theme "LIVING WITH CANCER IN THE 21ST CENTURY" is scheduled on 23rd August 2026 at Banaras Hindu University (BHU), Swatantrata Bhawan Auditorium, Varanasi, Uttar Pradesh, India.

The Conference is being jointly organized by BioGenesis Health Cluster and Global Cancer Foundation. The 7th Global Cancer Summit 2026 is the Central Congress, where Cancer Researchers from over 60 countries, in different stages of their careers, come together to discuss the latest developments in Cancer Research and Treatments.

The Focus of the Conference is on Cancer Stem Cells, Cancer Basic & Applied Research Tumor, Anti-Cancer Drug Discovery, Clinical Oncology and Personalized Cancer Medicine. It will give us novel insight into the complexity of the connections between Cancer and Metabolism & Immune Checkpoints, to deliver an outstanding program with the right balance of clinical relevance, which covers the entire spectrum of practice issues in Cancer Research and Treatments.

Global Cancer Summit will host the Award Ceremony for the prestigious Edward Kennedy Memorial Award- 2026 in the areas of Experimental, Translational and Clinical Cancer Research, respectively.

Global Cancer Summit-2015, Bengaluru, India, II Global Cancer Summit-2017, Kuala Lumpur, Malaysia and III Global Cancer Summit-2019, Dubai, UAE. The delegate survey, 98% of the respondents mentioned they would recommend the event to a colleague. This result emphasises the high level of satisfaction that the event generated amongst its participants. Amongst the listed Conference highlights, the high quality of the plenary sessions and their presenting speakers were the clear winners, followed by some specific experts who have inspired their audience. The vibrant and dynamic atmosphere of the Global Cancer Summit also enthused largely through its ability to facilitate connections and networking opportunities.

the current role of radiation in the treatment of gastrointestinal malignancies and discussed the data supporting its use. Radiation treatment in this setting continues to evolve with the increasing implementation of more conformal delivery techniques. Further scientific investigation is needed to establish the optimal role of radiation and to better define its integration with novel systemic and biologic modalities.

## CALL FOR ABSTRACT:

All investigators are invited to submit abstracts on topics pertaining to conference topics mentioned on the website. Authors are invited to submit abstract(s) using the submission form on this page. Abstracts should contain sufficient detail on the techniques used and the results, which will be shown. You will receive a confirmation when the abstract has been received. Please contact the conference secretariat if you did not receive confirmation within 5 working days. Submission implies the intent of at least one author to register, attend the symposium and present the paper (either 12+3 minutes orally or in poster format). Contributions will only be finally accepted after registration and payment of the conference fee. The abstract will be reviewed, and you will be notified of acceptance.
